

Corrections for January 2017
with the compliments of Adlard Coles Nautical

PBO Small Craft Almanac 2017

Corrections to 8th December 2016 include Admiralty Notices to Mariners Week 49/16

EDITORIAL NOTES

1. Corrections to the above Almanacs are placed on www.reedsalmanacs.co.uk at the following intervals: In early January (covering the period since going to press in June); and thereafter at the start of each month from February through to June. There is no repetition, except where an earlier correction is modified by later data.
2. We thank those who have contributed helpful suggestions, all of which are considered and, if feasible, included. Please tell the Editors as soon as possible of any corrections to the Almanac(s) thought to be necessary, particularly as a result of experience at sea.
