Tasting Opportunities

Panel Tastings

Decanter publishes an average of **two panel tastings** per issue focusing on a different region or category. The tasting results are also featured on Decanter Premium via Decanter.com.

We call in samples by liaising with producers or the governing trade body of that region who will contact you, either directly or by featuring the request on their website/newsletter.

We also contact UK importers and retailers to ensure they are aware of the tasting, who can then inform their producers/agencies accordingly.

Expert's Choice

The wines are usually selected at a UK trade tasting attended by the writer in question, sometimes supplemented by wines that the writer has tasted elsewhere.

Occasionally the wines are chosen during a visit to the wine region in question or at a tasting organised by Decanter.

WEEKDAY WINES

Looking for everyday drinking wines that won't disappoint? The Decanter team's house team has done all the hard work for you, picking out 25 exciting and accessible wines that are all ready to drink now, are available in the UK and priced at £20 or less.

Weekday Wines

This section of the magazine highlights 25 exciting and accessible wines available in UK retail, priced at £20 or less.

Weekend Wines

As a companion selection to our 25 wines under £20, the Decanter team each month selects seven standout bottles all available in UK retail and priced between £20 and £50.

These wines are chosen by the Decanter in-house tastings team, who have tasted them at trade and press tastings.

If you have a new wine in the UK market and would like us to consider it for inclusion, please email us about it, with the UK retail price and stockist details. We will request a sample at our discretion.

WEEKEND WINES

Planning to splash out, to celebrate your weekend in style? As a companion selection to our 25 wines under £20, the Decanter team has selected seven standout bottles that are sure to impress, all available in the UK and priced between £20 and £50.

Recommendations within features

The vast majority of features in Decanter are written by freelance journalists.

Some of the writers are based in or near the region being covered; others visit the region regularly and have a good knowledge of its wines and a network of contacts there.

It is a good idea to establish a relationship with the key correspondents on your wine region, as the choice of wines recommended within any feature is entirely down to the writer themselves.

You could send them information about your winery, samples of new releases, or simply keep them up-to-date with your news. We do not give out writers' contact details, but will forward on an email of introduction if you contact the editorial team.

A close-up, low-angle shot of a dark glass bottle pouring a golden-brown liquid, likely whisky, into a clear glass. The liquid is captured mid-pour, creating a dynamic splash and ripples in the glass. The background is dark and out of focus, with some blurred light sources. The overall mood is sophisticated and elegant.
