

HOW TO ADD THE equo IFRAME

The iFrame is a great way of letting riders see your upcoming events and allows them to enter these quickly and easily online.

TO FIND THE IFRAME HTML:

1. Log onto www.equoevents.com (using your organiser details)
2. From the menu select: My Profile >> My Details
3. The iFrame code is located at the end of the page
4. Add the code to your website

Before inserting your iFrame you must let your riders know what it is. Please refer to "Introducing your riders to Equo".

HERE IS A GOOD EXAMPLE:

The screenshot shows the website for Forest Edge Arena. At the top is a banner with a horse silhouette and the text "forest edge arena". Below the banner is a navigation menu with links: Home, Latest News, Equestrian Facilities, Facility Hire, Arena Cafe, Events Info, Schedules & Entry Forms, Dressage Times, Sponsors, and Contact. The main content area is titled "Events calendar" and includes a paragraph about online entries. Below this is the Equo iFrame, which displays a table of upcoming events.
